

**SUCCESS NET**

**PRIVACY SCREEN / BALCONY NET / FENCING NET**

Balcony screen / privacy screen / fencing safety net are knitted of an all-weather new 100% virgin hdpe/ polyethylene fabric that keeps out 95% of UV rays, while allows air to pass through. That combination reduces the indoor temperature, and also allows some light to filter in so you can keep an eye on the outside. Balcony shade net will withstand heavy wind, abrasion, and is UV stabilized.
